New balance	\$5,240.00
Minimum payment due	\$104.80
Payment due date	July 17, 2026

Minimum Payment Warning: If you make only the minimum payment each period, you will pay more in interest and it will take you longer to pay off your balance. For example, making only the minimum payment on this account would take several years to repay the balance in full and would substantially increase the total interest you pay.

Late Payment Warning: If we do not receive your minimum payment by the date listed above, you may have to pay a late fee of up to \$40.00 and your APRs may be increased to the Penalty APR.
