### Important Disclosures

This is an attempt to collect a debt and any information obtained will be used for that purpose. Payments are applied first to accrued interest and fees, then to principal. If your payment is returned unpaid, a returned-item fee may apply. Please contact us if you are experiencing financial hardship to discuss available options.

### Daily Interest Accrual and Payment Ledger

Interest accrues daily on the outstanding principal at a simple daily rate equal to the annual percentage rate divided by 365. The scheduled monthly payment is applied on the 15th; the ledger below shows daily accrual and the resulting balance through payoff.
