Policy Provisions & Illinois Notices

Definitions — Insured

Throughout this policy, the words 'you' and 'your' refer to the named insured shown in the declarations and that person's resident spouse. 'We,' 'us,' and 'our' refer to the company providing this insurance. Other defined terms appear in quotation marks in the policy.

Definitions — Covered Auto

'Your covered auto' means the vehicle shown in the declarations, a newly acquired auto within the time limits stated, a trailer you own, and a temporary substitute for a covered auto that is out of use because of breakdown, repair, servicing, loss, or destruction.

Definitions — Occupying

'Occupying' means in, upon, getting in, on, out of, or off of a vehicle. This definition applies to coverages where the term is used, including medical payments and uninsured motorist coverage.

Part A — Liability Insuring Agreement

We will pay damages for bodily injury or property damage for which any insured becomes legally responsible because of an auto accident, up to the limit of liability shown. We will settle or defend, as we consider appropriate, any claim or suit asking for these damages.

Part A — Liability Limit

The limit of liability shown in the declarations for each person for bodily injury is the most we will pay for all damages for bodily injury sustained by one person; the per-accident limit is the most we will pay for all damages arising out of one accident, regardless of the number of claims or vehicles involved.

Part A — Liability Exclusions

We do not provide liability coverage for any insured who intentionally causes bodily injury or property damage, for damage to property owned or being transported by that insured, or for that insured's use of a vehicle without a reasonable belief of entitlement to do so.

Part B — Medical Payments

We will pay reasonable expenses incurred for necessary medical and funeral services because of bodily injury caused by accident and sustained by an insured, provided the expenses are incurred within the period stated in the policy from the date of the accident.

Part C — Uninsured Motorist Coverage

We will pay compensatory damages that an insured is legally entitled to recover from the owner or operator of an uninsured motor vehicle because of bodily injury sustained by the insured and caused by an accident, subject to the limits and conditions of this part.

Part C — Underinsured Motorist

Where provided, underinsured motorist coverage applies when the limits of the responsible party's liability coverage are less than the damages the insured is legally entitled to recover, subject to the limits shown and offsets described in the policy.

Part D — Coverage for Damage to Your Auto

We will pay for direct and accidental loss to your covered auto, minus any applicable deductible. Loss caused by collision is covered under Collision; loss from other causes, such as theft, fire, or falling objects, is covered under Comprehensive.

Part D — Deductible Application

A separate deductible applies to each loss under Collision and under Comprehensive. When a covered loss involves both coverages in a single event, the applicable deductibles are applied as provided in the policy.

Part D — Actual Cash Value

The most we will pay for loss to your covered auto is the lesser of the actual cash value of the stolen or damaged property or the amount necessary to repair or replace it, with a deduction for depreciation and physical condition.

Part D — Transportation Expenses

Where rental reimbursement is shown in the declarations, we will pay the stated daily amount, up to the stated maximum, for transportation expenses incurred by you in the event of a covered loss to your covered auto.

Part E — Duties After an Accident or Loss

A person seeking coverage must promptly notify us of how, when, and where the accident or loss happened, cooperate with us in the investigation and settlement, protect the covered auto from further loss, and submit proof of loss when required.

Part F — Policy Period and Territory

This policy applies only to accidents and losses that occur during the policy period shown in the declarations and within the policy territory, which includes the United States, its territories and possessions, and Canada.

Part F — Changes

This policy, the declarations, and any endorsements constitute the entire contract. Its terms may not be changed or waived except by an endorsement we issue. If a change requires a premium adjustment, we will adjust the premium as of the effective date of the change.

Part F — Legal Action Against Us

No legal action may be brought against us until there has been full compliance with all the terms of this policy, and, under the liability coverage, until we agree in writing that the insured has an obligation to pay or the amount has been finally determined.

Part F — Our Right to Recover Payment (Subrogation)

If we make a payment under this policy and the person to or for whom payment was made has a right to recover from another, that right is transferred to us. That person must do nothing after loss to prejudice our right to recover.

Part F — Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate does not relieve us of any obligation under this policy.

Part F — Concealment or Fraud

This policy is void in any case of fraud by an insured relating to it, or if an insured intentionally conceals or misrepresents a material fact concerning the insurance, the covered auto, or an insured's interest, or engages in fraudulent conduct in connection with a claim.

Right to Appraisal

If we and you do not agree on the amount of a loss under the physical damage coverages, either party may demand an appraisal. Each party selects a competent appraiser, the appraisers select an umpire, and a decision by any two is binding as to the amount of loss.

Other Insurance

If other applicable insurance covers a loss, we will pay only our share, generally the proportion that our limit bears to the total of all applicable limits, except as otherwise provided for non-owned vehicles.

Cancellation

You may cancel this policy by returning it to us or by giving us notice of the future date cancellation is to take effect. We may cancel by mailing notice as required by law for the reasons permitted, such as nonpayment of premium.

Nonrenewal

If we decide not to renew this policy, we will mail notice to the address shown in the declarations within the time period required by Illinois law, stating the date on which coverage will end.

Illinois Amendatory Provisions

Certain provisions of this policy are amended to conform to Illinois law, including provisions governing cancellation and nonrenewal notice, uninsured and underinsured motorist coverage, and the time within which suit may be brought.

Illinois Financial Responsibility

This policy provides at least the limits of liability required to satisfy the Illinois financial responsibility law. Maintaining continuous coverage is required to operate a registered vehicle in Illinois.

Fraud Warning

Any person who knowingly and with intent to defraud any insurance company or other person files an application or statement of claim containing materially false information, or conceals material information, commits a fraudulent insurance act, which is a crime.

Premium Determination

Your premium is based on rating factors that may include vehicle characteristics, garaging location, driving record, coverage selections, deductibles, and applicable discounts. A change in these factors may change your premium at renewal.

Loss Payable to Lienholder

Loss under the physical damage coverages is payable to you and the lienholder shown in the declarations as their interests may appear. The lienholder's interest is protected as required by the retail installment contract on the covered auto.

Continuation of Coverage

Coverage continues for the policy period shown provided the premium is paid when due. If an installment is not received by its due date, coverage may lapse subject to any grace period and the notice required by law.

Definitions — Bodily Injury and Property Damage

'Bodily injury' means bodily harm, sickness, or disease, including death that results. 'Property damage' means physical injury to, destruction of, or loss of use of tangible property.

Definitions — Family Member

'Family member' means a person related to you by blood, marriage, or adoption who is a resident of your household, including a ward or foster child. Coverage for family members applies as described in each part of the policy.

Part A — Supplementary Payments

In addition to the liability limit, we will pay certain expenses on behalf of an insured, such as the cost of bail bonds, premiums on appeal bonds, interest accruing after a judgment, and reasonable expenses incurred at our request.

Part A — Out-of-State Coverage

If an auto accident occurs in a state or province that requires higher liability limits than shown, this policy will provide the higher required limits. This provision does not increase our limits for any other purpose.

Part A — Two or More Autos

If this policy insures two or more autos, the liability limit applies separately to each. The limits shown may not be combined or stacked to increase the amount available for a single accident, except as required by law.

Part B — Medical Payments Exclusions

Medical payments coverage does not apply to bodily injury sustained while occupying a vehicle used to carry persons or property for a fee, while occupying a vehicle without a reasonable belief of entitlement, or in the course of certain business uses.

Part C — Uninsured Motorist Conditions

A person seeking uninsured motorist coverage must promptly notify the police if a hit-and-run vehicle is involved and must promptly send us copies of legal papers if a suit is brought. Disputes over the right to recover or the amount may be arbitrated.

Part D — Exclusions

We will not pay for loss to your covered auto due to wear and tear, freezing, mechanical or electrical breakdown, or road damage to tires unless caused by another covered loss, nor for loss to certain custom or electronic equipment except as provided.

Part D — Loss Settlement and Betterment

We may settle a physical damage loss by paying to repair or replace the damaged property, or by paying its actual cash value. If repair or replacement results in better-than-pre-loss condition, we may adjust the settlement for the improvement.

Part D — Towing and Labor

Where shown in the declarations, we will pay towing and labor costs incurred each time your covered auto is disabled, up to the amount shown, provided the labor is performed at the place of disablement.

Part E — Proof of Claim and Examination

A person seeking coverage must, when we require, submit to physical examinations by physicians we select, provide a proof of loss, authorize us to obtain records, and submit to examination under oath while not in the presence of any other insured.

Part F — Termination by Us

We may cancel for nonpayment of premium, for a suspended or revoked driver's license of an insured, or for other reasons permitted by law, by mailing notice within the time and manner Illinois law requires.

Part F — Termination by You and Refunds

You may cancel at any time by returning the policy or advising us of the future cancellation date. If the policy is canceled, any premium refund will be computed and sent as required, and may be pro rata or short rate as permitted.

Part F — Transfer of Interest

Your rights and duties under this policy may not be assigned without our written consent. If you die, coverage continues for a limited time for the legal representative of the deceased and for covered persons as the policy provides.

Part F — Our Right to Inspect

We have the right but not the duty to inspect the covered auto and to make recommendations. Any inspection, recommendation, or advice relates only to insurability and premiums and is not a safety inspection or warranty.

Coverage for Newly Acquired Autos

A newly acquired auto is afforded the broadest coverage we provide for any vehicle shown in the declarations, provided you ask us to insure it within the number of days stated after you become the owner.

Rental and Loss of Use

Where rental reimbursement is shown, we will reimburse rental charges you incur when your covered auto is withdrawn from use for more than a stated period due to a covered loss, up to the daily and maximum amounts shown.

Anti-Theft and Safety Equipment

Discounts for anti-theft devices, passive restraints, and other safety equipment are reflected in your premium where applicable. Removing or disabling qualifying equipment may affect your premium at renewal.

Named Driver Exclusion

If any driver is excluded by endorsement, no coverage of any kind applies while the excluded person is operating a motor vehicle. Review your endorsements to confirm whether any driver has been excluded from this policy.

Illinois Uninsured Motorist Notice

Illinois law requires uninsured motorist coverage in at least the amounts stated by statute. You may have the right to select higher limits, and underinsured motorist coverage applies subject to the offsets described in the policy.

Payment of Premium and Reinstatement

If a premium installment is not paid by its due date and any grace period, coverage may terminate. Coverage may be reinstated only if we agree and only from the date and time we accept the required payment, with no coverage during the lapse.

Entire Contract and Conformity to Law

This policy, with the declarations and endorsements, is the entire contract between you and us. Any provision that conflicts with the law of the state where the policy is issued is amended to conform to that law.

Declarations Control

The declarations page shows the coverages you selected, the applicable limits and deductibles, the premium for each coverage, and the vehicles and drivers on the policy. Read it together with the policy form and endorsements.

Premium Installment Fee

If you pay your premium in installments rather than in full, a per-installment service fee may apply as disclosed. Paying in full or by automatic withdrawal may reduce or eliminate the installment fee.

Renewal Offers

We will ordinarily offer to renew this policy for successive terms as long as you remain eligible and pay the premium. Renewal terms, premiums, and coverages may differ from the current term and will be shown on the renewal declarations.

Notice of Rate Changes

Your renewal premium may change based on rating factors, coverage selections, claims experience, and approved rate revisions. Any change is reflected in the renewal declarations we send before the renewal effective date.

How to File a Claim

To report a claim, contact us using the claims number shown on this document as soon as reasonably possible. Provide the date, time, location, description of the loss, and the names and contact information of any other parties and witnesses.

Cooperation and Fraud Prevention

You and any person seeking coverage must cooperate with our investigation of a claim. Providing false or misleading information in connection with a claim may result in denial of the claim and cancellation of the policy.

Salvage and Total Loss

If your vehicle is declared a total loss, settlement is based on its actual cash value, and we may take title to the salvage. Applicable taxes and fees are handled as required by state law.

Diminished Value and Betterment

Except where required by law, we do not pay for any diminution in a vehicle's value following a repaired covered loss, and we may adjust a settlement for betterment where a repair improves the vehicle beyond its pre-loss condition.

Glass Repair

Where covered, we may arrange for the repair rather than replacement of damaged glass when a safe repair is possible. A separate glass deductible may apply as shown in the declarations or endorsements.

Multi-Vehicle and Household Drivers

All resident household members of driving age must be listed on the policy. Failure to disclose a household driver may affect coverage or premium. Contact us to add or remove a driver or vehicle.

Privacy Notice

We collect nonpublic personal information about you to open and service your account, such as information from your application and your transactions. We do not sell your information and share it only as permitted by law and as described in our privacy policy, a copy of which is available on request.

Information Safeguards

We maintain physical, electronic, and procedural safeguards designed to protect your nonpublic personal information. Access is limited to personnel who need it to provide products and services to you.

Electronic Delivery Consent

If you have consented to electronic delivery, statements, notices, and disclosures are provided electronically. You may withdraw consent and receive paper documents at any time by contacting us using the information on this statement.

Electronic Signatures and Records

You agree that electronic records and signatures have the same legal effect as paper documents and handwritten signatures with respect to your account and any related agreements.
